### *The Walnut Hills Athletic Boosters*

The Walnut Hills Athletic Boosters support all of Walnut Hills' Junior High and High School teams and athletes through memberships, fundraising, and volunteering.

In these difficult economic times, your involvement in Boosters is all the more crucial for our children's success. Your money and time are essential; They fill a gap that no one else can fill. Without your money and time we will fall short.

Your donations are an investment in your child's future and your school. Together we are here to do our part to make Walnut Hills Athletics a Home of Excellence for our children.
