

**SUPPORT OUR OUTSTANDING MUSICIANS!!
BE A WHIP PATRON DONOR!!**

Did you know that Walnut's top string orchestra and wind ensemble were invited to play at Carnegie Hall in New York City this past spring? It was a memorable weekend for our fabulous musicians. Our top vocal groups performed at downtown Cincinnati's Mercantile Library this past spring also. How can we help to maintain such a high level of musical skill in our students? An easy way is to become a patron donor. The 2010-11 Patron Donors contributed \$14,000.00 toward instruments (new, repair, supplies), sound equipment, guest performers and conductors, and sheet music. The bill for sheet music alone last year came to \$10,000.00! With massive cuts in CPS and Walnut budgets this year we need your support more than ever. If you have a student participating in a music class or performing in a group this year you are automatically a member of WHIP (Walnut Hills Instrumental Parents). Take the next step and become a WHIP Patron Donor! We express our appreciation for your tax-deductible gift with some great perks (see below). We send a receipt to you. We recognize Patron Donors on all concert programs.
