

# We are in this for the long haul.

Dear Alumni Family,

Enclosed you will find highlights of the Alumni Foundation's journey over the past twenty years. Looking back, all of us should be proud of what we have accomplished. We have transformed the campus both literally and figuratively. We have become an integral part of the school; involved in every facet from long range planning, facilities, faculty and staff support to programmatic enhancements. You have shared your ideas and given us your time, talent and financial support all with the mindset of making us a better institution, always aspiring for excellence.

While chapters of our history continue to unfold, each generation of students has challenged and inspired us to follow our motto "*Sursum Ad Summum*."

Take a moment now to reflect on the legacy you have helped create.

There is much more to come....

A handwritten signature in cursive script, reading "David Hedman". The signature is written in black ink and includes a long horizontal flourish at the end.

## **WHHS tenet of giving back.**

“I will continue to “Rise to the Highest” in my future pursuits, **never forgetting my past** and Walnut Hills. Thank you once again for this generous scholarship; I hope to one day be the one giving out a scholarship to a deserving student.”

— Alexander Smyth, '15

“I am extremely grateful to Walnut Hills Alumni and the Alumni office for making the trip possible....my experience gave me a more worldly perspective and matured me in many ways...I do not feel that it is an exaggeration to state that the **trip changed my life more than anything else I have ever done...**”
