

**University of Cincinnati
College Credit Plus program**

Beth Young, Director CCP, UC Uptown

Cindy Jones, Program Director, UC Blue Ash

Course Delivery Options through UC

- 1) Courses offered in high school with credentialed high school teacher (coordinated through UC Uptown/Main)
 - Requires in-high school placement testing; Accuplacer Reading Comprehension and UC Math Placement Test
 - Foundations of Engineering Design Thinking I (ENED 1100, 3 credit hours)
 - Foundations of Engineering Design Thinking II (ENED 1120, 3 credit hours)

- 2) Courses offered on the UC Uptown, UC Blue Ash or UC Clermont campus or Online with UC Faculty
 - Requires receipt of official ACT or SAT test scores received by application deadline.
 - Students must select which campus they plan to participate through. Students are not permitted to enroll through multiple campuses.

Application Deadlines for UC Uptown and UCBA CCP Programs

- **Summer Semester: April 1st**
- **Fall Semester: May 1st**
- **Spring Semester: November 1st**

All application requirements (including test scores) must be received by the posted deadline.

Program academic year begins summer semester.

Application Procedure for UC

- Complete and submit the “**Letter of Intent to Participate**” form to Ohio Department of Education by April 1st
- Complete and submit CCP application materials by posted deadline
 - In high school testing will be conducted prior to this deadline
 - It is a student’s responsibility to ensure receipt of ACT/SAT test scores by deadline
- Admission decisions will be available through online application portal on a rolling basis beginning mid-March.
- Students will complete mandatory advising prior to course registration in fall.
- Students must verify enrollment prior to start of classes.

Required Materials for UC CCP application

- Online application available on campus CCP websites
- Official High School Transcripts, sent from guidance counselor
- Official Test Scores
 - All scores must be **received** by application deadline.
 - In high school courses (Engineering, etc.) will offer on site placement testing
 - On campus/online participation requires ACT or SAT
