

## WHHS AP Testing Exam Schedule 2023-2024

Walnut Hills recognizes and values the efforts students make in preparing for and taking AP Exams. We have a system in place to allow for a “release period” on the day of exams, with parental permission. Students remain accountable for their AP *and* non-AP courses.

**Morning AP Exams:** Students may be excused from their classes following a morning AP Exam.

**Afternoon AP Exams:** Students may be excused from morning classes on the day of an afternoon AP Exam.

**The AP Exam release periods are only granted with WRITTEN parental permission prior to the day of the exam (phone calls will not be accepted).** Students who fail to submit the form prior to the exam will be required to forego these release periods and report to class as scheduled. Any infractions will result in a penalty according to the school discipline code.

**Note:** There are ABSOLUTELY NO early dismissals from an exam.
