### **\$6798.00 of Schedule E funds needed from the district budget**

- Pogni- Questioned why teachers are being paid for yearbook and marching band.
- Leborgne- Extended time is physically with students, which is why it is on schedule E
- B. Smith- No one gets paid for a second club until someone gets paid for one.
- Leborgne- Recommends club participants pay a fee to be involved.
- B. Smith- What was the schedule E budget last year?
- Ellison- 4% raise, each school got an additional \$10,000 last year for schedule E

- If we are getting the \$10,000 this year, we are very close to meeting the budget needs with the clubs that will no longer be funded.
- Chambers- requests a balanced budget
- Smith- recommends parents speak with the board

*Next meeting will be discussion of more concrete plan*

### **AP Chinese**

Yanping Ji

- Proposing an AP Chinese Course
- Parents and students
- Has experience 1, 2, 3, 4 Chinese
- AP Chinese Training- College Board
- Anticipates 15 students wanting to take the course
- Schneider- asks about .2 staff?
- Chambers- no, because the class is combined. If the increase is justified, then yes will ask for additional .2
- Discussion on the numbers, but there is no solid answer due to enrollment fluctuation
- Course is approved, does not mean we have to offer it
- Has to go through curriculum council and be approved

Sweeney motion to pass

Fox motion to second

*Motion Passed*

### **PD**

Chambers

- Departments tailor, organize and structure PD to meet the needs of their specific departments
- It should all be structured by the departments
- Sweeney- maintain WAC the PD days. LT- focus on outside the writing and cross curricular ideas with other departments
- Between Joe and Kathy, with already scheduled issues, give departments a calendar of time for departmental PD

Motioned to pass- Smith

Second- Schneider

*Motioned Passed*

### Question-Sweeney

- Practice AIR Test? Does it apply?
- Chambers- in conversation with Bill Myles, will know by Friday
- Smith- Take this information to curriculum council to push back against this testing

### **Overload update**

#### Chambers

- Received .6 English from TAC
- Overloaded Science classes
- Slightly overloaded Social Studies Classes
- Making schedule adjustments for students who were not identified as honors.
- 14 spaces available in honors 8
- Moving kids to honors will move kids from science 8 and social studies 8 and English 8
- Numbers will be reduced just by the kids moving to honors
- Looking to reduce the upper level English classes with the .6
- At the end of the quarter, will ask for additional staffing if there is still a need

Meeting adjourned 3:53 PM
