UC German Day Competition

Hart-Thompkins

 - Half of students take the make up during their German bell the first day back, and the other half tests in German the following day
 - Tests can take place during the block schedule so they have time for the tests
 - Tests would be given like a makeup test with Maria
- Maybe find the date earlier next year from the German dept

- Currently departments get 8 field trips
- Pogoni: asked department chairs to just remind people of giving two weeks notice to teachers for field trips, so it shouldn't just be a week
