Why don't we just have 3 7 bell days for the 3 days after testing and then start over the following week?

Ploy Keener3:13 PM

^^^

Laura Brogden3:13 PM

Because 7 bell days don't accomodate the 2 hour block that's needed for testing. Right?

Sara Mcguire-Jay3:13 PM

Can we please get the Roll Call for the original Schedule for The Approval of the Two Schedules vote (the 8-7 vote)?

Elizabeth Neil Thelen3:14 PM

@laura I think we're talking about the 3 days after testing.

Laura Brogden3:14 PM

Ahhhh but that's even more exposure for already overexposed kids.

Sara Mcguire-Jay3:15 PM

Majority Rules!

Laura Brogden3:18 PM

But the last day of testing is already meeting with 4 & 6, so you would see those kids twice in 2 days.

@Brian - give your kids a study hall once a week for that 3rd bell. It gives them a time to catch up on work.

@Brian, that's ^ what I do

Sara Mcguire-Jay3:28 PM

Do we have any proposals/business for Wednesday's meeting? The folder is empty.

Michael Sherman3:29 PM
