  - c. Visual Arts – The November 6<sup>th</sup> fall art show was very well attended. The AP art show will be held on December 3<sup>rd</sup>. This is also the evening of the jr/sr choir concert. There is still an interest in organizing a spring faculty art show. If anyone knows or can recommend a local gallery where this could possibly be held please contact Victoria Garland or Beth Boland
  - d. Newsletter – a week away from draft and then out before Thanksgiving.
5. New Business – B. Ewing
  - a. School delays / closings for weather – J. Brokamp – Walnut, in general, would not operate on a 2 hour delay. Since our students ride on the Metro buses they always operate on the same schedule so our students are not impacted. Our WHHS website is updated quickly with any weather related closings or delays. Check our website for clarification on what the situation is for WHHS on days where weather is a factor.
6. There will not be a December Association Meeting due to the holidays.
7. The monthly business meeting was then concluded and our special guest speaker, Debbie Heldmann on behalf of the WHHS Foundation, provided a very thorough overview of fundraising and the facility master plan.
