

WHHS Association Meeting

September 22, 2015

Welcome – Beth Ewing

Presentation and approval of September financial statement were presented by Jen Horvath. Jen noted that we are currently paying out some one-time upfront expenses while our income is just starting to flow in so our statement shows more expenses than income. That will change as the year progresses. The donations for Ludi are just starting to come in and we will be watching those as the month progresses.

Motion to approve the September financials: Bill Wolf, 2nd: Tim Bonfield. Motion passed.

August 2015 minutes were presented by Jenny Workum. There were no questions or inquiries.

Motion to approve August minutes: Iris Siao, 2nd: Bill Wolf. Motion passed.

There were no updates from Committee chairs.

Closing: next meeting October 27, 2015 – Business Meeting

Attendees proceeded to the Special Topics Meeting presented by Jeff Brokamp, State of the School.
